NATIONAL EXTENSION SERVICE: Budget provision for the second 6 months of 1953-54- reappropriation within the sanctioned allotment- orders requested.

--

I enclose a statement showing the sanctioned allotment and the reappropriation proposed for each of the blocks in this district The reappropriation within the sanctioned grant has been necessitated due to the works sanctioned before the receipt of the budget allotment and also due to the fact that the allotment sanctioned in Government Memo No.00954 Agri.Dl.53-2 dated 21.1.1954 does not conform to the budget proposals submitted from this office. I therefore request that the Director of Rural Welfare, Madras, may be pleased to sanction the reappropriation proposed in the enclosed statement within the sanctioned grant.

Yours faithfully,
